

## DAILY TRIP TO VAL DI FUNES

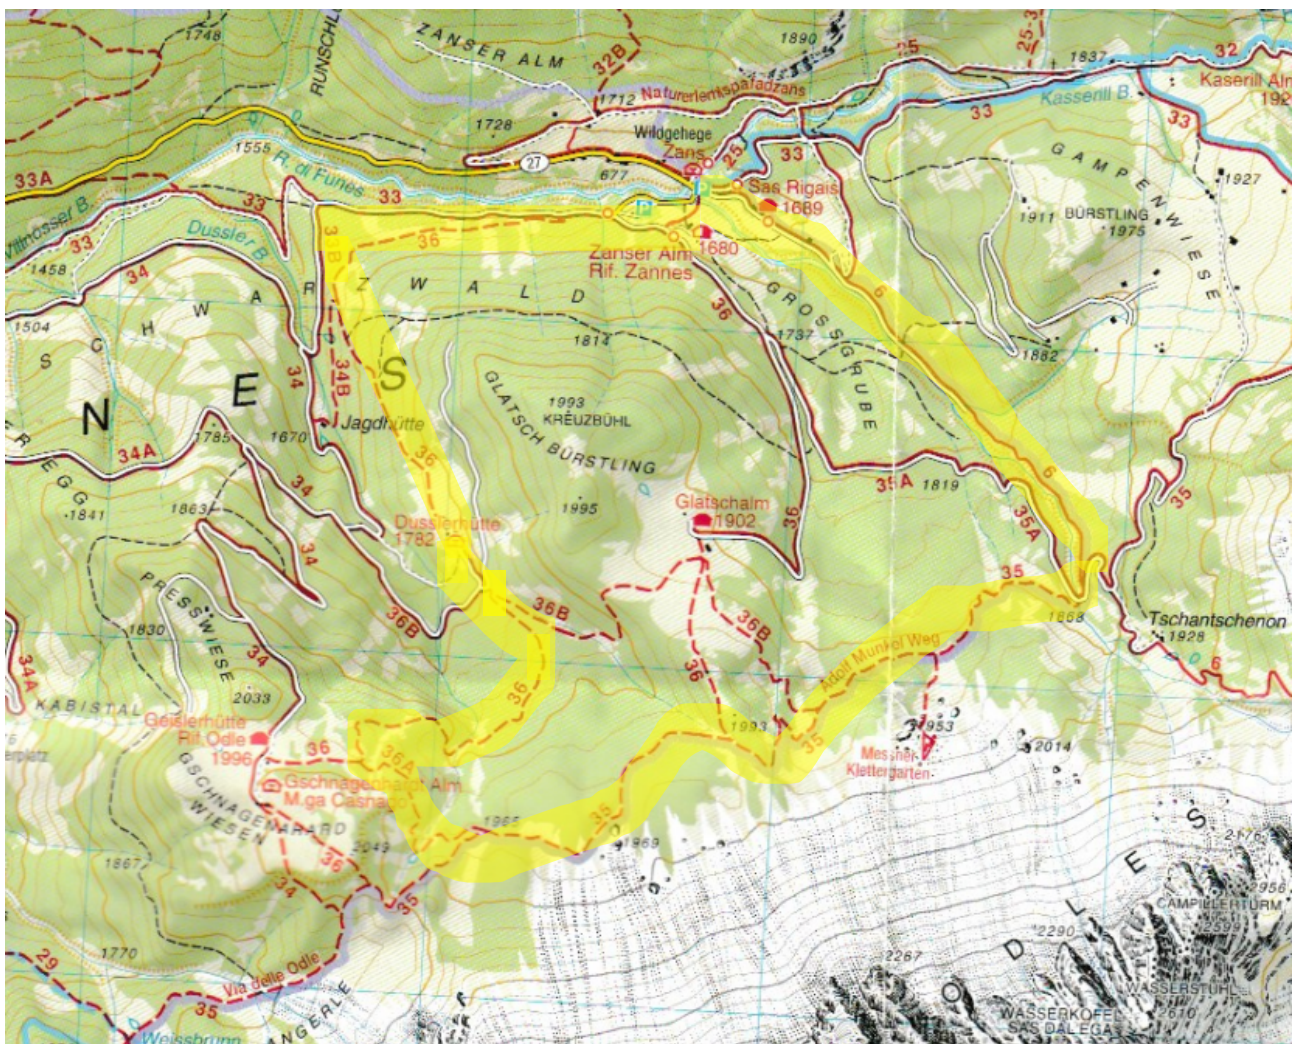

The participants will take bus 330 leaving Brixen bus station (Brixen Busbahnhof) at 9:31 to Zanserhütte which is the last stop. The arrival is expected at 10.26. The bus ticket is 3.50 EUR single way. Note that if you have the Brixen card this transportation is included. Your guide (prof. P. Umari) will wait for you at Zanserhütte. If you plan to come by your own please come at the same time.

From Zanserhütte (1670 mt) we will take a mountain path (number 36) to Dusslerhütte (1782 mt) and then to Gschnagenhardt Alm (2008 mt). We expect to arrive there in approximately 2 hours (typical timing for a group of adults with kids). On the open fields around the alm it will be possible to eat the sandwiches you brought with you and then we can have some cakes and drinks at the alm.

We expect to resume trekking at 2pm. We will then take the Adolf Munkel Weg (path number 35) just under the summits of the Odle mountains. In approximately 1 hour (kids time) we will be at the junction with path number 6 which will bring us back to Zanserhütte where we are expected to arrive at 4pm.

For the final bus ride to Brixen, there is one bus leaving at 4:35 pm and one leaving at 5:35 pm arriving at Brixen at 5:29 pm and 6:29 pm, respectively. The latter is the best option for those willing to enjoy some drinks at Zanserhütte.

NOTE: We will walk on a mountain path. Trekking shoes are recommended. Some warm cloths and a waterproof jacket are also recommended as we will reach a quite high altitude (2049 mt) for the same reason also a sun-cream is suggested. Remember to carry water with you (beside your lunch), I suggest to use ordinary 1.5 l plastic bottles. Kids are welcome. In case, the phone-number of your guide is +393282149118,
